LYNCHBURG TRADE.

Johhers and Manufacturers Kept Busy
Up to Date.
LYNCHBURG, VA, December 25.—
The demand for dry goods and notions
at wholesale has fallen off slightly,
both buyers and sellers holding off
owing to the unsettled condition of the
cotton market. Prospects for spring
business, however, are very encouraging.

Ing.
The manufacturers and jobbers of ing.

The manufacturers and jobbers of shoes likewise report a falling off in orders for immediate shipment, due to the near advent of the holiday season. Total shipments for the week, 5,843 cases. For the first time in the history of the shoe business, a Southern concern has passed the \$3,000,000 mark. The Craddock-Terry Co., of this city, the largest manufacturers of shoes in the Southern States, on December 21 had received enough orders to take their business over the \$3,000,000 mark for the year.

In the pipe and foundry business orders are in advance of normal conditions, while the plow factories continue behind with orders.

There is little or no change with the textile manufacturers. These factories continue to work full time, with orders far ahead.

The leading retail lines exhibited increased activity during the week, and buying for the season was fully up to previous years.

of sanitary plumbing is seemly, clean, and the piping is easily gotten at when there's the slightest difficulty, which seldom occurs, for the plumbing is "open" while the joints are tight. If you have a thought of plumbing, think of us.
